 Title of Your paper: Empowerment of the Household Women through Sharia-Based Entrepreneurship Training in the Banjar City, Indonesia

Original Contribution : This study is conducted in the context of community empowerment. The research uses a participatory action research (PAR) method. The study offers a Sharia entrepreneurship training program among household women in the city of Banjar, Indonesia. The program has succeeded in increasing the knowledge, understanding, and insight of household women about the nature, principles, and products of the Sharia economy so that they have an awareness of sharia entrepreneurship. Through this program, household women have the ability to sell Sharia-based products and services creatively, innovatively, and responsibly
